£1000 - 1st Prize

£500 - 2nd Prize

Are you a student, recent graduate or governance professional at the start of your career?

Enter the Tom Morrison Essay Prize

Essays are sought on the following topic:

Could organisations more proactively address environmental, social and governance issues before being required to do so by regulation? How might this be achieved and what do you see as the role of the governance professional?

Deadline: Monday 6 January 2020
